Die amerikanische Originalausgabe erschien 2026
unter dem Titel *Protocols: An Operating Manual for the Human Body*
bei Simon & Schuster, New York.

Die in diesem Buch enthaltenen Hinweise und Tipps wurden
vom Autor und dem Verlag sorgfältig geprüft und haben sich in
der Praxis bewährt. Jedoch wird keine Gewähr für deren Richtigkeit,
Vollständigkeit oder Aktualität übernommen. Druckfehler und Irrtümer
bleiben vorbehalten. Die Umsetzung der Anweisungen erfolgt auf eigenes Risiko.
Haftungsansprüche gegen den Autor und/oder den Verlag sind ausgeschlossen,
es sei denn, es liegt Vorsatz, grobe Fahrlässigkeit oder Arglist vor.

Dieser Haftungsausschluss gilt nicht für Schäden
an Leben, Körper oder Gesundheit.

Anmerkungen

Einleitung
